## Earning PRIDE Points

Students are capable of earning PRIDE Points, or tickets, for demonstrating the characteristics listed below. The more tickets students are able to earn, the more they have demonstrated these traits.

### **Patience Respect Integrity Determination Excellence**

A Hernwood PRIDE stamp will indicate that your student displayed appropriate PRIDE behaviors for the day. Comments will also be written to encourage communication between the parents/guardians and teachers to better assist the students in learning. Comments may be left to explain positive choices that students have made, reasons why they earned a PRIDE point for the day, or to explain a difficulty that may have occurred during the day. Please understand that comments may not be left daily. We will keep you up to date on your student's progress while at Hernwood.
